Flea Market and Craft Fair

Things are coming along nicely for the Trinity Church Flea Market and Craft Fair! We have many exciting craftsmen coming with jewelry, quilts, woodwork, flowers, and more. Those of us who aren't as "crafty" are bringing the fruits of our collections to share with others – and many nice things that we no longer want. Including books, baby clothing, silver, glass, crystal, even some modern art, and more. Another group is the small business folks who are looking to introduce new people to their products. These include Mary Kay™ cosmetics; Altrum™ Vitamins; Amsoil™ products for the protection of your cars, tractors, and other motors around the house; and others.

Various church ministries have contacted us for a free space in the undercroft for the Ministry Fund Raiser area. We have the Youth Ministry providing lunch for everyone who would like to support their trip to the Washington Cathedral, we also have the Pastoral Care committee sponsoring a super yummy Bake Sale – dessert-sized servings of some of the best Trinity Church has to offer. There is still a chance for you to join us – with breakfast perhaps, balloon animals, face painting, even a book sale to raise money for your ministries' special projects.

We want to thank the Parish Life Ministry, who has offered to help with setting up, traffic control, and clean up after the event. We could really use more help, if you are willing to donate a couple of hours on April 9th or 10th, please let us know. Primarily, we need help moving some tables outside, keeping cars out of the church parking lot after 8:00 a.m., and supervising parking in the grassy lot behind the picnic shelter.

As we are praying for nice weather for April 10th, we are also praying for more vendors! There is plenty of open space left for folks who would like to join us. We will accept applications for spaces until April 1st, so as you go through spring cleaning, keep us in mind for those things that you just don't care to keep any more – and purchase a Flea Market space.

Get in touch with us at church, or by phone at 940-0056 and we will get you set up to go.

Thanks for all the help and support!
 Jill and Chip Hayes
